Attendees: Tony Barcroft, Chris Boltwood, Deborah Lindsay, Heidi Hackett, Krista Norden, Tony

Apologies Sue A.

Discussion Points:

- Water Tower Street – Walls now open, no further action
- Bottle Collection Wagons – King Street & Water Tower Street. Can we route collections so that they happen from Northgate Street. TB & HH
- Additional parking – DL to follow up with CG
- Electric Car Charging - TB
- Clockwise route on St Martins way, appears to be operating well, but would appear we have some instances of cutting through off St Martins way onto Water tower street where the traffic cones are – TB to drop a line to Andrew Arditti
- Christmas Carols – View was that it went well with positive feedback, plan to repeat Christmas 2021
- KSARA email log on to be sorted for Tony, Krista & Heidi – TB
