UPDATE: GOOD NEWS! Home safe and sound!

Has anybody seen our cat George? Usually hangs out around the back of King Charles Court and King Street - very grateful if you could check garages, sheds etc. in case he has managed to get himself locked in. Thanks

Tony Barcroft – CRAG

Welcome

Chester Residents' Associations Group (CRAG) is an umbrella community organisation based in the historic city of Chester in Cheshire, UK.

Formed in 2019, CRAG comprises of over 20 residents' groups from within – and nearby – the city walls. We welcome new members, because our voice and influence are stronger together.

Our mission? To make Chester an **even** better place to live, work and visit. We aim to do this through active citizenship and positive partnership.

Working with local stakeholders, CRAG is developing strategies and proposals to help address the top five issues identified by our members:-

- Communication
- Homelessness and anti-social behaviour
- Traffic management and parking
- Public realm
- One City Plan
